

# MUSCONETCONG SEWERAGE AUTHORITY

Statement from the Musconetcong Sewerage Authority related to the Proposed ICE Facility in Roxbury, NJ:

The MSA is a regional authority with limited jurisdiction. There is currently no application before the Authority. If an application is presented for consideration, the application will be reviewed in accordance with the authority conveyed to MSA by statute, which is limited to whether there is adequate treatment capacity at the MSA treatment facility, adequate conveyance capacity in the MSA conveyance system, and whether the application complies with the Rules and Regulations of the MSA.
